## AI AUTOMATION SPECIALIST

### PROFILE

Results-driven AI Automation Specialist with a strong background in front-end development, **marketing automation**, and **workflow integration**. Skilled in building intelligent, scalable automation systems using **GoHighLevel**, **n8n**, and **Make.com**. Adept at integrating AI-powered solutions, creating conversational chatbots, and optimizing business processes for real estate and eCommerce clients. Combines technical expertise with a marketing mindset to deliver high-converting, fully automated systems.

### WORK EXPERIENCE

#### AI Automation Specialist

*Agency Projects / 2024 - 2025*

Implemented end-to-end appointment booking automation using GoHighLevel, Zapier, n8n and AI tools to streamline client scheduling. Integrated Google Calendar for real-time availability, set up automated email/SMS reminders to reduce no-shows, and created AI-powered responses for booking inquiries. Delivered efficient, hands-off scheduling systems that improved client conversion rates and saved businesses significant time.

#### Marketing Automation Specialist

*Real Estate / 2023 - 2024*

Set up and optimized GoHighLevel CRMs, automating multi-channel campaigns through email, SMS, and AI chat. Created dashboards to track performance and increase conversion rates.

#### Front-End Developer

*Freelance / Project-based / 2021 - 2023*

Designed responsive websites with HTML & CSS, Vue Js, and optimized for speed and SEO.
